

The unsolicited fax's that the Borough of Glen Ridge receives EVERY DAY range from offers of discounted trips to diney to discounted health insurance to stock tips to retail store fixtures.

This is unconsionable...unsolicited telephone calls alone are an incredible waste of my day, HOWEVER --- there are HARD COSTS involved with receiving these UNSOLICITED fax's DAILY ---

PLEASE do not allow our taxpayers to pay for the Borough being FORCED to receive solicitations that we DO NOT WANT for items that the Borough will NEVER use.
